VIDEO PRODUCTION

PRODUCTS | CORPORATE | TUTORIALS

SERVICES

PRODUCT VIDEOS

Short punchy videos to promote a product. Perfect for use across all marketing platforms.

EXPLAINER VIDEOS

Use videos to communicate messages to your team or your customers

TUTORIALS

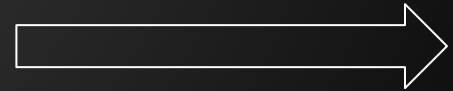

Use video to show your customers how to use your product effectively

PODCAST VIDEOS

Podcasts are quickly becoming powerful tools that you can use to market your industry expertise.

MUSIC VIDEOS

We love capturing the raw moments created in studio or in a live environment for artists to share widely.

RATES

 FILMING	
Per hour	R 850
Per Day	R 5750

 POST PRODUCTION	
Per Hour	R 550
Per Day	R3500

- On-site filming
- Up to 2 operators
- Includes equipment
- Includes travel in JHB

Our filming rates are based on the use of our existing equipment. If your project requires any specialist equipment the hiring fee will be added to your quote.

- Final video edit
- Audio final mix
- Custom Titles
- Royalty free music

We evaluate each project and use our experience to determine what time requirements are needed. Simple videos usually require half day edits (4 hours)
